Fourth Quarter 2013 Concentration Time Series Charts

Dear Mr. Erickson:

Please find the enclosed Battle Mountain Resources, Inc. "San Luis Project" (M-88-112) updated concentration time series charts for the fourth quarter 2013. Concentration charts are provided for the eight groundwater monitoring wells, as specified in the TR-26 final performance monitoring program and in the groundwater monitoring program specified in permit revision TR-32.

Should any questions arise or if I can be of any assistance providing clarification, please call me at (719) 379-0538.

Sincerely,

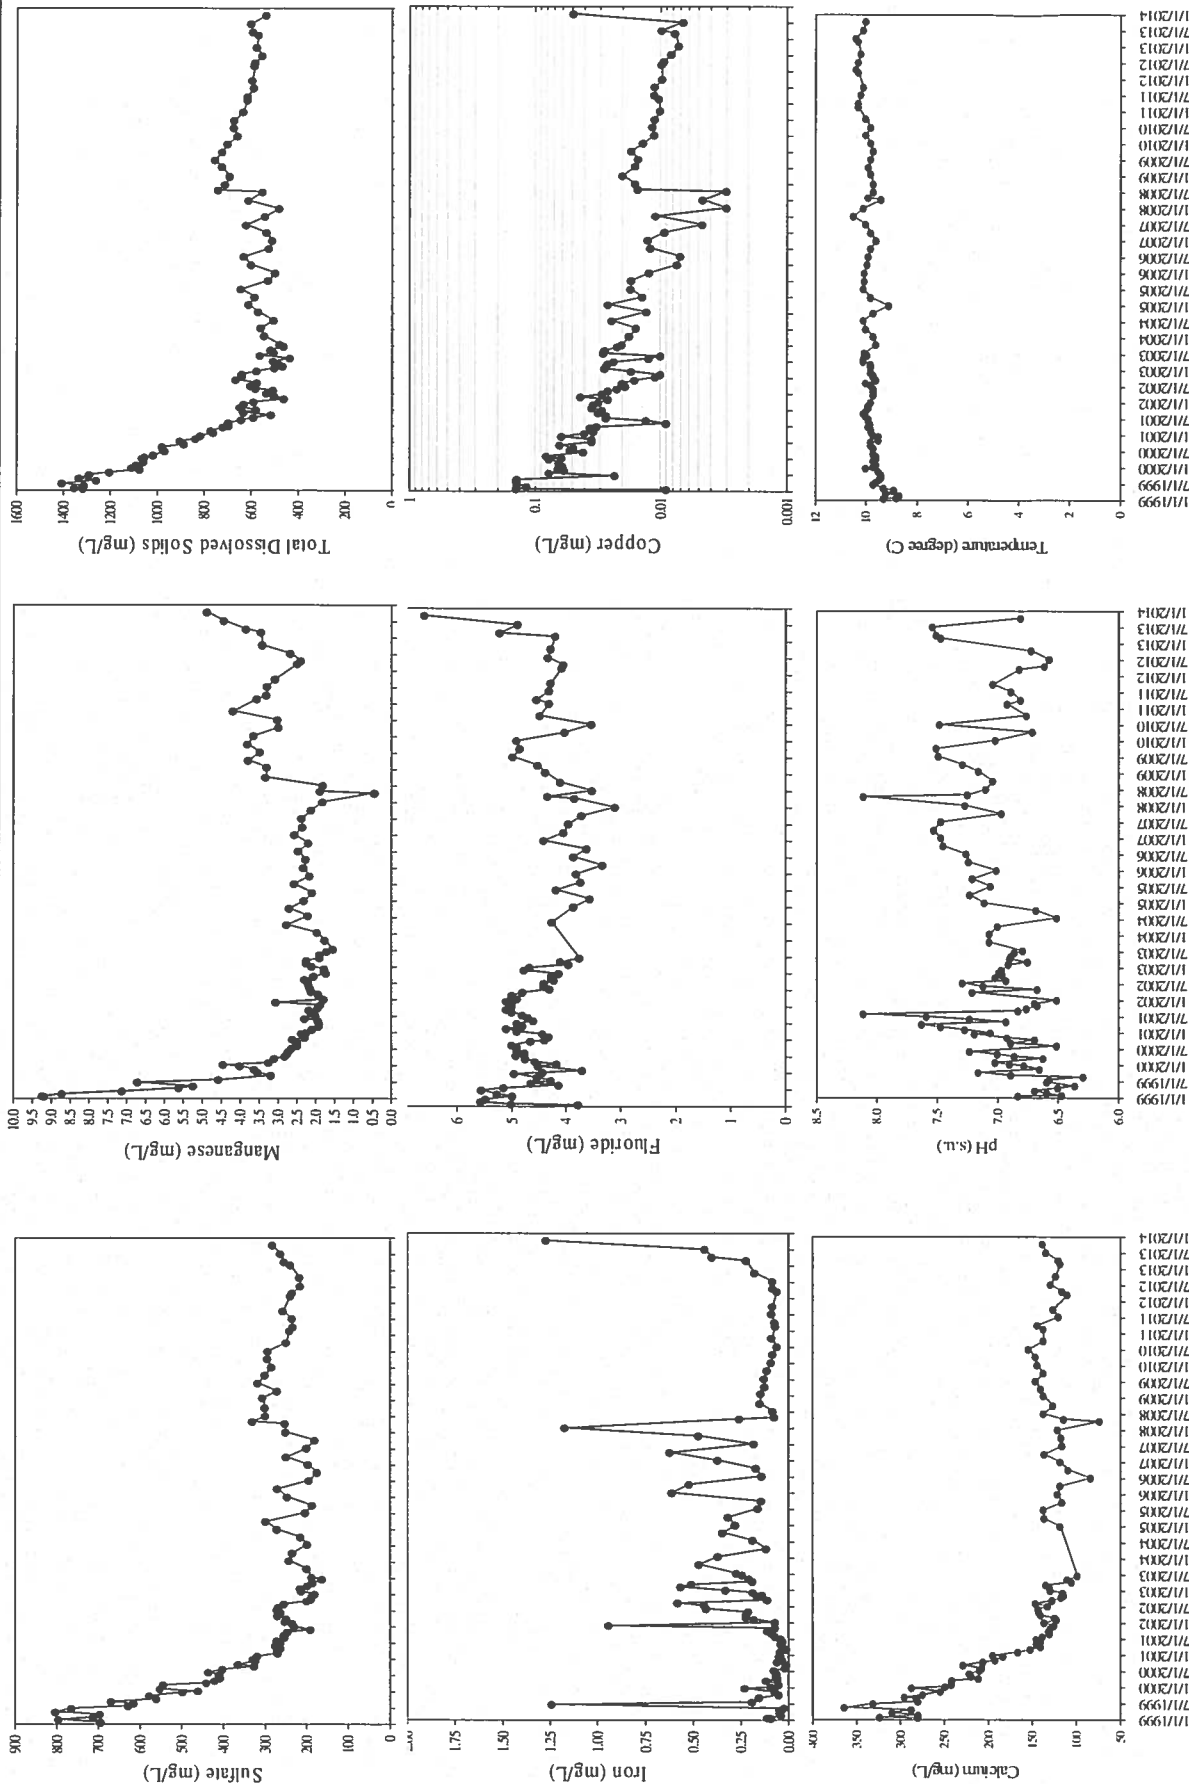

Julio Madrid
