✓ Re: Notice of 112 Construction Materials Reclamation Permit Amendment Application Consideration
Bestway Concrete Company, the Shores, Permit No. M-1998-013 (SHPO Project #65297)

Dear Eric Scott:

Thank you for your correspondence dated January 16, 2014 (received by our office on January 21, 2014) regarding the above referenced subject project.

A search of the Colorado Cultural Resource Inventory database indicated that no cultural resource inventories have taken place in the vicinity of the proposed project area and no historic properties have been recorded within the subject property. However, our files contain incomplete information for this area, as most of Colorado has not been inventoried for cultural resources. As a result, there is the possibility that as yet unidentified cultural resources exist within the proposed project area.

Should human remains be discovered during project activities, the requirements under State law C.R.S. 24-80 (part 13) apply and must be followed.

Thank you for the opportunity to comment. If we may be of further assistance, please contact Todd McMahon, Staff Archaeologist at (303) 866-4607/ todd.mcmahon@state.co.us or Dan Corson, Intergovernmental Services Director at (303) 866-2673/ dan.corson@state.co.us.

Sincerely,

Edward C. Nichols
