**Re: Jemadojin Sand Mine, Permit No. M-2006-017,
Revision No. SR-1, Financial Warranty Reduction Approval**

Mr. Miclette:

On January 14, 2014 the Division of Reclamation, Mining and Safety approved your request for a Financial Warranty Reduction to \$64,439.00. This is a reduction of \$179,061.00. This decision reduces the amount of the financial warranty, and does not approve any release of reclamation responsibility for the tasks associated with this request.

Please provide a rider to the current Financial Warranty, or submit a new Financial Warranty reflecting this reduction. If you wish to submit a different type of Financial Warranty, please contact our office for the applicable form.

If you have any questions, please contact me.

Sincerely,
