Re: H & H Stone, H & H Quarry #2, Permit M-1998-080, Continuance of February Board Hearing
ACTION REQUIRED

Dear Mr. Martin:

The Division received your request for continuance of the February board hearing. The Division will allow for the continuance. The hearing will be rescheduled for March 26, 2014. The completed financial warranty MUST be approved by the Division by not later than March 21, 2014 in order to avoid the March hearing. A second continuance will not be granted. Be aware that often the paperwork submitted to the Division is not adequate the first time it is received and changes are often necessary. Therefore, it is in your best interests to submit the paperwork as soon as possible, in case changes need to be made.

If you have any questions, please contact me at (970) 259-5861.

Sincerely,

Kate A. Pickford
Environmental Protection Specialist
