RE: Richard Fryrear, File M-1998-071
Fryrear Pit #2; Amendment

Dear Mr. Scott:

I am working with Richard Fryrear to amend his gravel pit permit. The new boundaries are proposed to encompass the entire 80-acre tract. I would like to request a two-week extension to complete the paperwork for the application. Several unforeseen events have made it impossible for me to complete the work by February 13, 2014. Thanks for your consideration.

I can be reached during working hours at 970-854-3778. My fax is 970-854-3811. Thank you.

Sincerely,

Randy Schafer
Consultant
