RE: Nolte Pit #1; DRMS File No. M-2012-016; Receipt of Corrective Action  
Documentation

Dear Mr. Whiteman,

The Division received your above referenced response in regard to the Compliance Problems cited in the report of the inspection conducted on December 12, 2013. The statuses of the corrective actions regarding these problems are as follows:

**Compliance Problem 1: The Mine Identification Sign was not posted at the entrance to the mine site.**

This problem is considered abated as a result of the Operator's submittal of documentation including photos of new mine identification sign at the entrance.

If you have any questions, please contact me at (970)242-5025.

Sincerely,
