Staff,

With this letter, Elam Construction hereby requests an extension to the February 24, 2014 decision date outlined in Ms Pickford's letter dated February 7, 2014. We request the Decision Date be extended to May 30, 2014. This additional time is required for Elam to adequately address the Adequacy Review comments. With this request, Elam waives it's right to the February 24 decision date.

Please let me know if there are any questions regarding this request. I can be reached at (970) 242-5370 or gayle.lyman@elamconstruction.com.

Sincerely
