Re: Bestway Concrete & Aggregates – Application for Amendment  
The Shores-Burch Property – M-1998-013  
Township 2 North, Range 68 West, 6th P.M.  
Sections 1: E/2NW/4  
Weld County, Colorado

Dear Mr. Scott,

This letter is being sent by Anadarko Petroleum Corporation on behalf of its subsidiary Kerr-McGee Oil & Gas Onshore LP ("KMG") to inform you KMG is the owner of valid oil and gas leases underlying a portion of the E/2NW/4 of Section 1, Township 2 North, Range 68 West, for which Bestway Concrete & Aggregates ("Applicant") is seeking approval of an Amendment to their Regular Construction Materials Operation Reclamation Permit. They are seeking to slurry line the Burch Property, mine the property for gravel and reclaim it as a water storage reservoir.

KMG, Kerr-McGee Gathering, LLC and Hall-Irwin Corporation have executed a Surface Use Agreement, recorded on 11/12/2003 at Reception #3125991 with Weld County, CO, the terms of which govern the parties' simultaneous use of the subject property. KMG does not object to the Applicant's application approval providing it conforms to the previously executed agreement. I have had discussions with the Applicant's Representative, and we will not be signing the Structure Agreement. The mining permit may move forward based on the terms of our executed Surface Use Agreement.

If you have any further questions, I may be reached at 720-929-6702.

Sincerely,  
KERR-McGEE OIL & GAS ONSHORE LP
