RE: **Bunn Ranch Pit, Permit # M-1980-131, Request for Technical Revision** ✓

Staff,

Under Rule 1.9.1, I am submitting this request for a Technical Revision to the Bunn Ranch Pit, Permit M-1980-131, in Moffat County. This TR request is for the use of a mobile concrete batch plant to be allowed within the pit boundary. The reclamation bond for this site is adequate and will not require an increase to account for any removal of permanent structures due to the mobility of the proposed plant.

Enclosed with this request Check No. 17459 in the amount of \$216.00 for processing the Technical Revision.

If you have any questions, please don't hesitate to call me at 970-242-5370.

Respectfully,

Gayle Lyman
Compliance Director
