

### Public Notice

The Division of Reclamation, Mining and Safety, in accordance with Title 34, Article 33, of the Colorado Revised Statutes, hereby issues notice that on March 31, 2014, a minor revision application (MR-89) to the New Horizon Mine, Permit No. C-1981-008, operated by Western Fuels-Colorado, LLC, P.O. Box 628, Nucla, CO 81424 was considered complete for the purposes of filing. This revision describes a minor change to the final topography on the Morgan Property, resulting in topography that is less steep than was previously approved. The revision also replaces Ditch C33 with a straw wattle for sediment control. The revision also includes a letter from the Morgan Property landowners and representatives requesting, and concurring with, the revision. All reviews and comment periods as provided in the Act and Regulations promulgated thereunder initiate from this date of filing.
