Dear Mr. Calhoon:

On March 14, 2014, we received your Notice of Intent (NOI) for a prospecting project located on Bureau of Land Management administered lands in the Boland Canyon area west of Saguache, Colorado. As we discussed by phone today, the San Luis Valley Field Office Geologist position is currently vacant and we will be seeking assistance from our State Office. As a result, pursuant to 43 CFR 3809.13, we are notifying you that we will require an additional 15 days to complete review of your NOI.

We will notify you if we require additional information. Please call me if you have questions. Thanks for your patience.

Sincerely,

Andrew Archuleta, Field Manager
San Luis Valley Field Office
