Dear Mr. Mitchell:

The Division of Reclamation, Mining and Safety (Division/DRMS) has reviewed the annual report and map submitted March 31, 2014. The Division determined that the map submitted with the annual report is inadequate, because it does not meet the requirements of C.R.S. 34-32.5-116(3)(a). Please resubmit the annual report map identifying the following:

- The extent of current disturbances to the affected land,
- Reclamation accomplished to date and during the preceding year,
- Any new disturbance that is anticipated to occur during the upcoming year, and
- Any reclamation that will be performed during the upcoming year.

Please resubmit the annual report map to the Division by May 12, 2014, or this matter may result in a Notice of Violation, Cease and Desist Order, and Civil Penalties.

If you need additional information please contact me at the Division of Reclamation, Mining and Safety, 1313 Sherman St., Room 215, Denver, CO 80203, by telephone at 303-866-3567, extension 8131, or by email at tyler.odonnell@state.co.us.
