Re: K-Bar T Pit, Permit No. M-1978-221, Financial Warranty Increase,
Revision No. SI-2

Dear Mr. Marshall:

Thank you for speaking with me this morning regarding the above described gravel permit in Rio Blanco County, Colorado.

As I explained, I represent the owner of the permit, #17 Enterprises, LLC. We are in the process of completing the increase in the financial warranty as requested in your February 13, 2013 letter to Amber Shults. We should have the funds necessary to accomplish the increase with the bank (FNBR) today; however, it may take a little more time to have the paperwork issued. Therefore, we are requesting a two week extension of time in order to accomplish the increase and deliver the forms to the State.

Thank you in advance for your cooperation and assistance.

Sincerely,

SAM D. STARRITT
