**Re: Animas Glacier Gravel (AGG), Permit No. M-2011-028, Technical Revision Approval,
Revision No. TR-1**

Dear Mr. Carnahan:

On April 21, 2014 the Division of Reclamation, Mining and Safety approved the Technical Revision application submitted to the Division on January 27, 2014, addressing the following:

Technical revision to prevent discharge of stormwater and/or process water from affected areas of Animas Glacier facility into Basin Creek

The terms of the Technical Revision No. 1 approved by the Division are hereby incorporated into Permit No. M-2011-028. All other conditions and requirements of Permit No. M-2011-028 remain in full force and effect.

The estimated liability amount of \$78,788.37 remains the same. Therefore, Four Corners Materials may proceed with its activities at any time.

If you have any questions, please contact me (970) 259-5861.

Sincerely,

Kate A. Pickford
Environmental Protection Specialist
