DIVISION OF RECLAMATION  
MINING AND SAFETY

**RE: NOTICE OF CONSTRUCTION MATERIAL REGULAR (112) OPERATION  
RECLAMATION PERMIT APPLICATION PACKAGE FOR THE BRODIE MINE**

Dear Interested Parties:

The Land Use Department received notice via electronic mail that K&B Mining Company has submitted a Notice of Intent to conduct prospecting operations (NOI) to the Colorado Division of Reclamation, Mining, and Safety. A Plan of Operation 2800-5 has been submitted to the Boulder Ranger District USDA Forest Service. (NOI permit number P-2013-019.)

Boulder County Land Use Code requires a Special Use Review (SU), per Article 4-508 C., approval for the project proposed. To begin the process, a pre-application conference is required. To schedule an appointment for a pre-application conference, please contact our Receptionist at 303-441-3930.

Although the SU process normally runs 6 months, at this time there is a backlog of applications due to the 2013 Flood. It is recommended that the pre-application conference be scheduled as soon as possible.

If you have further questions, please feel free to contact me.

Sincerely,

A handwritten signature in cursive script that reads "Bonnie Gracia". The signature is written in dark ink and is positioned below the word "Sincerely,".
