RE: *Farmer Girl 2, NOI File No. P-2008-018, Surety Release Request (SL-01), Approval*

Dear Mr. White:

On March 28, 2014 the Division of Reclamation, Mining and Safety (Division) received a request for release of reclamation responsibility for the above referenced site. The Division inspected the drill hole locations on April 10, 2014 and determined that reclamation was adequately completed. Therefore the Division has determined that the financial warranty for this NOI file is releasable. The Division received concurrence from the Bureau of Land Management on April 23, 2014 and has approved SL-01.

According to Rule 1.4.11(b), the Division must wait 30 days from the date of this letter, before releasing the financial warranty, in order to address any comments or objections to this decision. If you have not received the financial and performance warranties by May 30, 2014, please contact Barbara Coria at (303) 866-3567, ext. 8148.

If you require additional information, have questions or concerns, please contact me at the DRMS Grand Junction Field Office at 101 South 3rd Street, Suite 301, Grand Junction, CO, 81501, Phone: (970) 243-6299, Fax: (970) 241-1516.
