Financial Warranty Increase, Surety Increase SI-01**

Dear Mr. Baxter:

On May 05, 2014 the Division of Reclamation, Mining and Safety (Division) increased the required Financial Warranty for this permit to \$1,583,000.00, in accordance with Rule 4.2.1 of the Rules and Regulations. This is an increase of \$864,248.00. Please see enclosed inspection report for calculations. The increase reflects the Division's efforts to ensure the Financial Warranty for this operation will fulfill the requirements of the approved reclamation plan. **In accordance with section 34-32.5-117(4) of the Colorado Land Reclamation Act, adequate Financial Warranty must be submitted to the Division within 60 days of notification (the mailing date of this letter);** therefore, either the required additional amount or a liability reduction needs to be accepted prior to July 04, 2014.

Please make arrangements with Barbara Coria at the Division's Denver office for submittal of the Financial Warranty. Any other questions regarding completion, execution, and/or submittal of Financial Warranty forms should also be directed to Barbara Coria. Her phone number is 303-899-3567, extension 8148.
