Dear Sirs:

As a part of the application for a Colorado Mined Land Reclamation Permit to extract gravel materials from the North Road Pit (S1/2 of the SE1/4 of Section 8 and SW1/4 of the SW1/4 of Section 9, T.14S., R.94W., 6th P.M., Delta County, Colorado), the Mined Land Reclamation Board requires the applicant to obtain an agreement to reimburse owners of permanent man-made structures within 200 feet of the operation for any damage done to their property or structures as a result of the permitted mining operation.

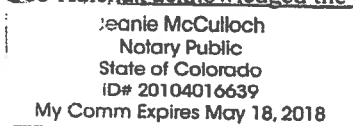

Since your water line along North Road is within 200 feet of the affected area, Delta County agrees to reimburse you for any damage done to your property or structures as a result of the permitted mining operation.

Your acknowledging signature in the space provided should satisfy the M.L.R.B. law requirement. A pre-addressed, stamped envelope is enclosed for your use. Thank you for your cooperation.

Sincerely,

Bob Kalenak
Delta County Engineer
