Re: Bowie No. 2 Mine (Permit No. C-1996-083)
Revision: TR-89
Relocate E & W Diversion Ditches

Dear Sir or Madam:

The Division of Reclamation, Mining and Safety has received an application for the above referenced permitting action for the Bowie No. 2 Mine. The application was deemed complete on May 19, 2014.

Bowie Resources, LLC (BRL) is proposing to relocate the East and West Diversion ditches above Gob Pile #2. This proposal was originally included in the Technical Revision No. 87 application, but has been removed and submitted separately to achieve a more rapid approval. The applicant is proposing additional surface disturbance outside of the area currently approved for disturbance.

Permit Revision, Permit Renewal, Technical Revision, or Bond Release application materials are available for review at the Paonia Public Library, 2 3rd Street, Paonia, CO 81428. Minor Revision application materials are available for review at the Division's Denver office.

If you have any questions, please contact me.

Sincerely,

A handwritten signature in blue ink that reads "Susan Burgmaier". The script is cursive and fluid, with the first name "Susan" and last name "Burgmaier" clearly legible.
