Harold,

I have been unable to reach you by telephone.

I had one question regarding the work you've been doing in the campground area. Have you ever been required to get a permit from the Army Corps of Engineers (such as a 404 permit)?

Please give me a call, or email me. the decision date is this Thursday (5/22). Also, I will be in the field on Tuesday (5/20), so please call my cell tomorrow.

Thanks, I look forward to hearing from you.
