

Public Notice

The Division of Reclamation, Mining and Safety, in accordance with Title 34, Article 33, of the Colorado Revised Statutes, hereby issues notice that on May 23, 2014, a minor revision application (MR-404) to the West Elk Mine, Permit No. C-1980-007, operated by Mountain Coal Company, LLC, P.O. Box 591, Somerset, CO 81434 was considered complete for the purposes of filing. The Mountain Coal Company, LLC has submitted a Minor Revision to the West Elk Permit. The revision updates Map 51 - E-Seam Projected Operations to show mined-out areas. The map also corrects the location of the southern most mains, which were moved slightly to avoid a fault. There will be no changes to the mine's permit boundary or its affected or disturbed acreages. There will be no change in the mine's reclamation liability as a result of this revision. The applicant is not proposing additional surface disturbance outside of the area currently approved for disturbance. All reviews and comment periods as provided in the Act and Regulations promulgated thereunder initiate from this date of filing.
