**Re: Santiago Mine, Notice of Intent (NOI) to Prospect, file P-2012-012  
Termination of NOI**

Mr. Hilgers:

The Division of Reclamation, Mining and Safety approved the above-referenced NOI on February 7, 2013. The required financial warranty for this site was determined to be \$13,300. As explained in our approval letter dated February 7, 2013, the NOI may be terminated if the required financial warranty is not submitted within 60 days of the approval date. The financial warranty has not been submitted; therefore, the Division has terminated NOI P-2012-012 as of June 11, 2014.
