

### Public Notice

The Division of Reclamation, Mining and Safety, in accordance with Title 34, Article 33, of the Colorado Revised Statutes, hereby issues notice that on June 13, 2014, a minor revision application (MR-133) to the Colowyo Coal Mine, Permit No. C-1981-019, operated by Colowyo Coal Company L.P., P.O. Box 33695, Denver, CO 80233-0695 was considered complete for the purposes of filing. MR-133 provides an addendum to Exhibit 21, Item1, to the report title, "Geotechnical Design and Operational Consideration for Highwall Mining, South Taylor Pit G78 and E/D2 Seams, and West Pit F, E, D2, and CSeams". The addendum is being provided to clarify that the characteristics of the mining captured with the design report include Exhibit 23, Item1 are met, that Colowyo can highwall mine within the mining boundary delineated on approved Map 23. The applicant is not proposing additional surface disturbance outside of the area currently approved for disturbance. All reviews and comment periods as provided in the Act and Regulations promulgated thereunder initiate from this date of filing.
