Re: Bowie No. 2 Mine (Permit No. C-1996-083)
Revision: TR-90
New GVBs B17F and B19C, Relocate B15A

Dear Sir or Madam:

The Division of Reclamation, Mining and Safety has received an application for the above referenced permitting action for the Bowie No. 2 Mine. The application was deemed complete on June 18, 2014.

Bowie Resources, LLC (BRL) is proposing to install two new gob vent boreholes (B17F and B19C) and relocate a previously approved borehole (B15A). The subject gob vent boreholes are located on lands owned by BRL, U.S. Bureau of Land Management, and Turkey Track Ranch, respectively, and will create an additional 3.4 acres of disturbed land. The applicant is proposing additional surface disturbance outside of the area currently approved for disturbance.

Permit Revision, Permit Renewal, Technical Revision, or Bond Release application materials are available for review at the Paonia Public Library, 2 3rd Street, Paonia, CO 81428. Minor Revision application materials are available for review at the Division's Denver office.

If you have any questions, please contact me.

Sincerely,
