**Re: Fremont Paving & Redi-Mix Pit, Permit No. M-1988-093;
Technical Revision Approval, Revision No. TR-2**

Dear Mr. Ary:

On July 14, 2014 the Division of Reclamation, Mining and Safety approved the Technical Revision application submitted to the Division on July 11, 2014, addressing the following:

- *Weed Control & Management Plan (plus Utility Agreement).*

The terms of the Technical Revision No. 2 approved by the Division are hereby incorporated into Permit No. M-1988-093. All other conditions and requirements of Permit No. M-1988-093 remain in full force and effect.

The Division has reviewed this change for impacts to the financial warranty and has determined that this change does not require an increase to the current reclamation liability.

If you have any questions or need further information, please contact me at (303)866-3567 x8169.

Sincerely,

Timothy A. Cazier, P.E.
Environmental Protection Specialist
