RE: Notice on Intent to Conduct Prospecting (NOI), Upper Gold Links, File No. P-2014-011, Notice to Withdrawal the NOI.

To whom it may concern,

Approximately one month ago we submitted a NOI for the Upper Gold Links Mine in Gunnison, Co. As of today the 22nd of July 2014 we would like to formally withdraw our NOI for this project (File No. P-2014-011). After reviewing our maps and documents we have found that the upper Gold Links and the Gold Links Mine M-1987-143 do not connect at all to each other and it would be too costly to work towards connecting them. Please consider this our official withdraw from the NOI. If you have any questions please contact us at 1-970-417-3311.

Sincerely,

Jake Wilkinson
