Re: Acreage release withdrawal for Pickenpaugh Gravel Pit (M-1978-078)

Amy:

I would like to formally withdraw Lincoln County's request for an acreage reduction that I recently submitted on the above named gravel pit. Because of a miscommunication, one of our Road and Bridge crew cleared approximately 1 acre of the 1.46 acres we intended to release, thus rendering the release impractical. We will be seeking a 112 conversion in the near future after details of this expansion are worked out with the land owner. Thank you.

Respectfully,
