

Public Notice

The Division of Reclamation, Mining and Safety, in accordance with Title 34, Article 33, of the Colorado Revised Statutes, hereby issues notice that on August 7, 2014, a minor revision application (MR-64) to the Southfield Mine, Permit No. C-1981-014, operated by Energy Fuels Coal, Inc., 8081 Shaffer Parkway, Suite 4, Littleton, CO 80127-3714 was considered complete for the purposes of filing. With MR-64, Energy Fuels proposes to edit the text for the water year associated with the Annual Hydrology Report (AHR) and the deadline for this report. This is being done to alleviate a discrepancy between the permit and the AHR. The applicant is not proposing additional surface disturbance outside of the area currently approved for disturbance. All reviews and comment periods as provided in the Act and Regulations promulgated thereunder initiate from this date of filing.
