Re: Upper Gold Links Portal, Prospecting NOI, File P-2014-011, Request to Withdraw NOI

Dear Mr. Gydesen,

The Division received your written request that the Upper Gold Links Portal NOI application be withdrawn from further review. The Division has approved the request; the NOI is now withdrawn and the file is now considered closed.

You had submitted a check with the original NOI application, to be considered as part of the financial warranty for the reclamation of this NOI. The Division will return the check to you under separate cover. The Division's bond specialist, who will handle the return of the check, is Barbara Coria. If you have any questions about the bond, please contact Ms. Coria at the Division's Denver office (address below), or by phone at 303-866-3567 ext 8148.

For any other questions, I may be reached at the Division's Durango Field Office, by phone at 970-247-5193, or by email at: bob.oswald@state.co.us.

Sincerely,

Bob Oswald
Environmental Protection Specialist
