Re: West Farm Pit, Technical Revision Approval, Permit No. M-2008-078, Revision No. TR-03

Mr. Yee,

On September 18, 2014 the Division of Reclamation, Mining, and Safety (Division) approved the Technical Revision request (TR-03) submitted to the Division on August 19, 2014, addressing the following:

*Revision of mine phasing and financial warranty.
Increase maximum allowed disturbed acreage to 60.00 acres.*

The terms of the Technical Revision (TR-03) approved by the Division are hereby incorporated into Permit No. M-2008-078. The conditions of the Division approval are noted below. Please note that all other provisions of Permit No. M-2008-078 remain in full force and effect.

Stipulation No. 1:

Prior to mining outside of the current slurry wall enclosed area (Phases 1-4; 37.77 acres), the Operator will be required to post additional bond for the approved final configuration of the slurry wall.

The revised estimated liability of \$678,977.00 exceeds the required surety bond of \$108,000.00 currently held for this permit. Please submit additional bond in the amount of \$570,977.00 within 60 days of the revision approval date. The due date is November 17, 2014. The revision will not be final until the bond is approved by the Division.

If you need additional information, please contact me at the Division of Reclamation, Mining and Safety, 1313 Sherman Street, Room 215, Denver, CO 80203, by telephone at 303-866-3567, extension 8129, or by email at amy.eschberger@state.co.us.

Sincerely,

Amy Eschberger
Environmental Protection Specialist
