

### Public Notice

The Division of Reclamation, Mining and Safety, in accordance with Title 34, Article 33, of the Colorado Revised Statutes, hereby issues notice that on September 30, 2014, a minor revision application (MR-51) to the McClane Canyon Mine, Permit No. C-1980-004, operated by McClane Canyon Mining, LLC, 2352 N 7th Street, Unit C, Grand Junction, CO 81501 was considered complete for the purposes of filing. MR-51 proposes to construct a sediment drying area on the construction material stockpile located southwest of the sediment pond. The drying area is required because the sediment pond was filled with mostly mud by the September 9, 2014 storm event. The applicant is not proposing additional surface disturbance outside of the area currently approved for disturbance. All reviews and comment periods as provided in the Act and Regulations promulgated thereunder initiate from this date of filing.
