Dear Mr. Schaaf,

On August 13, 2014, the Division of Reclamation, Mining and Safety (Division) received your Notice of Intent to Conduct Prospecting Operations (NOI). The Division posted the non-confidential Form 2 on the Division website on August 14, 2014 in accordance with the requirements of Rule 5.1.3. Any public comment or request for disclosure of information designated as confidential regarding the NOI must be received by the Division no later than ten (10) working days after the notice was posted on the Division website (August 28, 2014).

The Division will begin its review of the NOI and will contact you within 20 working days of the posting date regarding any deficiencies or if the review indicates the proposed operations are considered to be mining, rather than prospecting.

Please note the file number above, that has been assigned to this project; this number should appear on all documents pertaining to this project.
