**Re: LA Methodist Pit, Permit No. M-1995-008;  
Incomplete Financial Warranty Reduction Request, Revision No. SR-01**

Dear Mr. Ary:

On October 7, 2014, the Colorado Division of Reclamation, Mining and Safety received your request for Financial Warranty Reduction for the LA Methodist Pit, Permit No. M-1995-008. We have determined that the following information must be submitted to complete the requirements of Rule 4.17 of the Construction Material Rules and Regulations and C.R.S. 34-32.5-117(5) of the Colorado Land Reclamation Act for the Extraction of Construction Materials:

**Rule 4.17.1(2):** The Operator shall include in the notice to the Office the names and addresses and phone numbers of all owners of record to the affected land. *Please note based on the Fremont County Assessor's GIS-based website it appears the City of Florence owns the land on the east side of Phase 2 and Mackenzie Ranch LLLP owns the north portion of Phase 2. Please be sure this is addressed in your response.*

**Rule 4.17.1(3):** The written notice requesting release shall be sent by Certified Mail and be separate from other types of communication to the Office.

If you have any questions, please contact me (303-866-3567 ext. 8169).

Sincerely,

Timothy A. Cazier, P.E.  
Environmental Protection Specialist
