**Re: Providence Mine, Permit No. M-2012-052;
Succession of Operator (SO-01), Legal Right of Entry**

Dear Mr. Dubois:

On October 7, 2014 the Division of Reclamation, Mining and Safety (Division) issued CC&V the mine reclamation permit for the Providence mine after the approval of the succession of operator (SO) application. Pursuant to Rule 6.3.7, please provide the Division with a description of the basis for legal right of entry to the site and to conduct mining and reclamation for Owners of Record described in Rule 1.6.2(1)(e)(i). This may be a copy of access lease, deed, abstract of title, or a current tax receipt. A signed statement by the Landowner(s) and acknowledged by a Notary Public stating that the Operator/Applicant has legal right to enter and is also acceptable.

This description of the basis for legal right of entry is required in order to bring the subject permit into full compliance. Please respond within 30 days of this letter.

If you have any questions or need further information, please contact me at (303)866-3567 x8169.
