

### Public Notice

The Division of Reclamation, Mining and Safety, in accordance with Title 34, Article 33, of the Colorado Revised Statutes, hereby issues notice that on October 15, 2014, a minor revision application (MR-283) to the Foidel Creek Mine, Permit No. C-1982-056, operated by Twentymile Coal, LLC, 29515 Routt County Road No. 27, Oak Creek, CO 80467 was considered complete for the purposes of filing. The Twenty Mile Coal Company, LLC has submitted a Minor Revision to the Foidel Creek Mine's permit. The revision proposes to install/drill a borehole to supply concrete to the Wadge Seam workings at 5-Main North. The revision proposes to add a drill pad and light-use road to access the borehole. There will be no change in the mine's permit boundary as a result of the changes proposed in this revision. There will be an increase in the mine's disturbance acreage and reclamation liability. The applicant is not proposing additional surface disturbance outside of the area currently approved for disturbance. All reviews and comment periods as provided in the Act and Regulations promulgated thereunder initiate from this date of filing.
