**Re: Cripple Creek & Victor Mining, Co., Cresson Project, M-1980-244;
Acceptance of As-Built Certification Report for PSES Pipe Rack Liner Extension**

Dear Mr. Comer:

The Division of Reclamation, Mining and Safety (Division) has completed the review of the Quality Assurance Monitoring and Test Results for the PSES Pipe Rack Liner Extension dated February 4, 2014.

The construction of the PSES Pipe Rack Liner Extension was determined to be in compliance with the approved specifications. The Certification is accepted by the Division. The construction of above grade appurtenances for this area may commence.

If you have any questions or need further information, please contact me at (303)866-3567 x8169.

Sincerely,

Timothy A. Cazier, P.E.
Environmental Protection Specialist
