**RE: Approval of Technical Revision No. 1 (TR-01),
Gallegos Pit, Permit No. M-1983-164**

Dear Mr. Gallegos and Ms Swafford:

On October 16, 2014, the Division received your response to the Division's adequacy issues. On October 16, 2014, the Division completed its review process for TR-01 and approved TR-01.

The following conditions of the approved reclamation plan have been incorporated through TR-01 and are now enforceable permit conditions:

- Final slopes shall be no steeper than 3H:1V; and
- Topsoil replacement depths shall be no less than two to four inches

Please contact me if I can be of additional assistance, phone (970) 247-5469 or email wally.erickson@state.co.us.

Sincerely,

Wallace H. Erickson

Environmental Protection Specialist
