**Re: Surety Reduction (SR-01) Approved,
Upper Animas Sand and Gravel Pit, Permit No. M-2005-065**

Dear Mr. Clark:

On October 30, 2014 the Division of Reclamation, Mining and Safety approved your request for a financial warranty reduction to \$20,404.67. This is a reduction of \$12,095.33, from the existing \$32,500 financial warranty. This decision reduces the amount of the financial warranty, and does not approve any release of reclamation responsibility for the tasks associated with this request.

Please provide a rider to the current financial warranty, or submit a new financial warranty reflecting this reduction. If you wish to submit a different type of financial warranty, please contact our office for the applicable form.

If you have any questions, please contact me by phone (970) 247-5469 or by email wally.erickson@state.co.us.

Sincerely,

Wallace H. Erickson
Environmental Protection Specialist
