Re: Three Bells Pit, Acreage Reduction Approval, Permit M1979-191, Revision AR01 ✓

Ms. Mikulas:

On November 4, 2014, the Colorado Division of Reclamation, Mining and Safety approved your request for release of a portion of the permit area from further reclamation responsibility.

The permit area was reduced to 312.20 acres, through the release of 47.80 acres in this permit action. Because the permit is not totally released, you are still liable for filing annual reports and fees.

If you have any questions, please contact me.

Sincerely,

✓ Eric C. Scott
Environmental Protection Specialist
