RE: M-2006-073 Sundance Mine Surety Reduction

Dear Mr. Cazier:

Please accept this letter as our request to reduce the surety bond on the above referenced permit from \$1,464,697.35 to \$1,000. We have not begun mining on the property and need to resolve some El Paso County USR Permit conditions relating to traffic and water before any mining activity can begin. These issues may take a year or more to complete. Prior to affecting any land within the DRMS permit area, we will submit and receive approval from the Division for a revised financial warranty to cover the reclamation costs.

Sincerely,
