Re: 2009-10 East Lease Appraisal Project, Notice of Intent (NOI) No. P-2009-024, Request for Complete Surety Release, SL-01, Approval

Mr. Vuelvas:

On November 19, 2014, the Division approved the release of the 2009-10 East Lease Appraisal Project, File No. P-2009-024. The reason the request is approved without a formal release inspection is because the disturbance associated with P-2009-024 is now covered under NOI P-2010-026.

The Division staff wishes to commend Shell Frontier Oil & Gas Inc. for your reclamation efforts and the resulting success. If you have any questions regarding this correspondence please contact me at (970) 241-2042.

Sincerely,

Travis Marshall
Environmental Protection Specialist
