**Re: DDD mine, Permit No. M-1984-076  
Extension Request Approved for Corrective Action Due Date**

Mr. McGraw,

On November 19, 2014 the Division of Reclamation, Mining, and Safety (Division) received your request to extend the corrective action due date for the problem cited in the Inspection Report for August 12, 2014. The original corrective action due date was December 15, 2014. The Division has approved an extension, giving a new corrective action due date of **May 29, 2015**. This should allow the Operator sufficient time to work with the CDPHE in obtaining the appropriate water permit(s) for this site.

If you have any questions, please contact me at 1313 Sherman Street, Room 215, Denver, CO 80203, call me at (303)866-3567, extension 8129, or email me at [amy.eschberger@state.co.us](mailto:amy.eschberger@state.co.us).
