

110c Annual Report

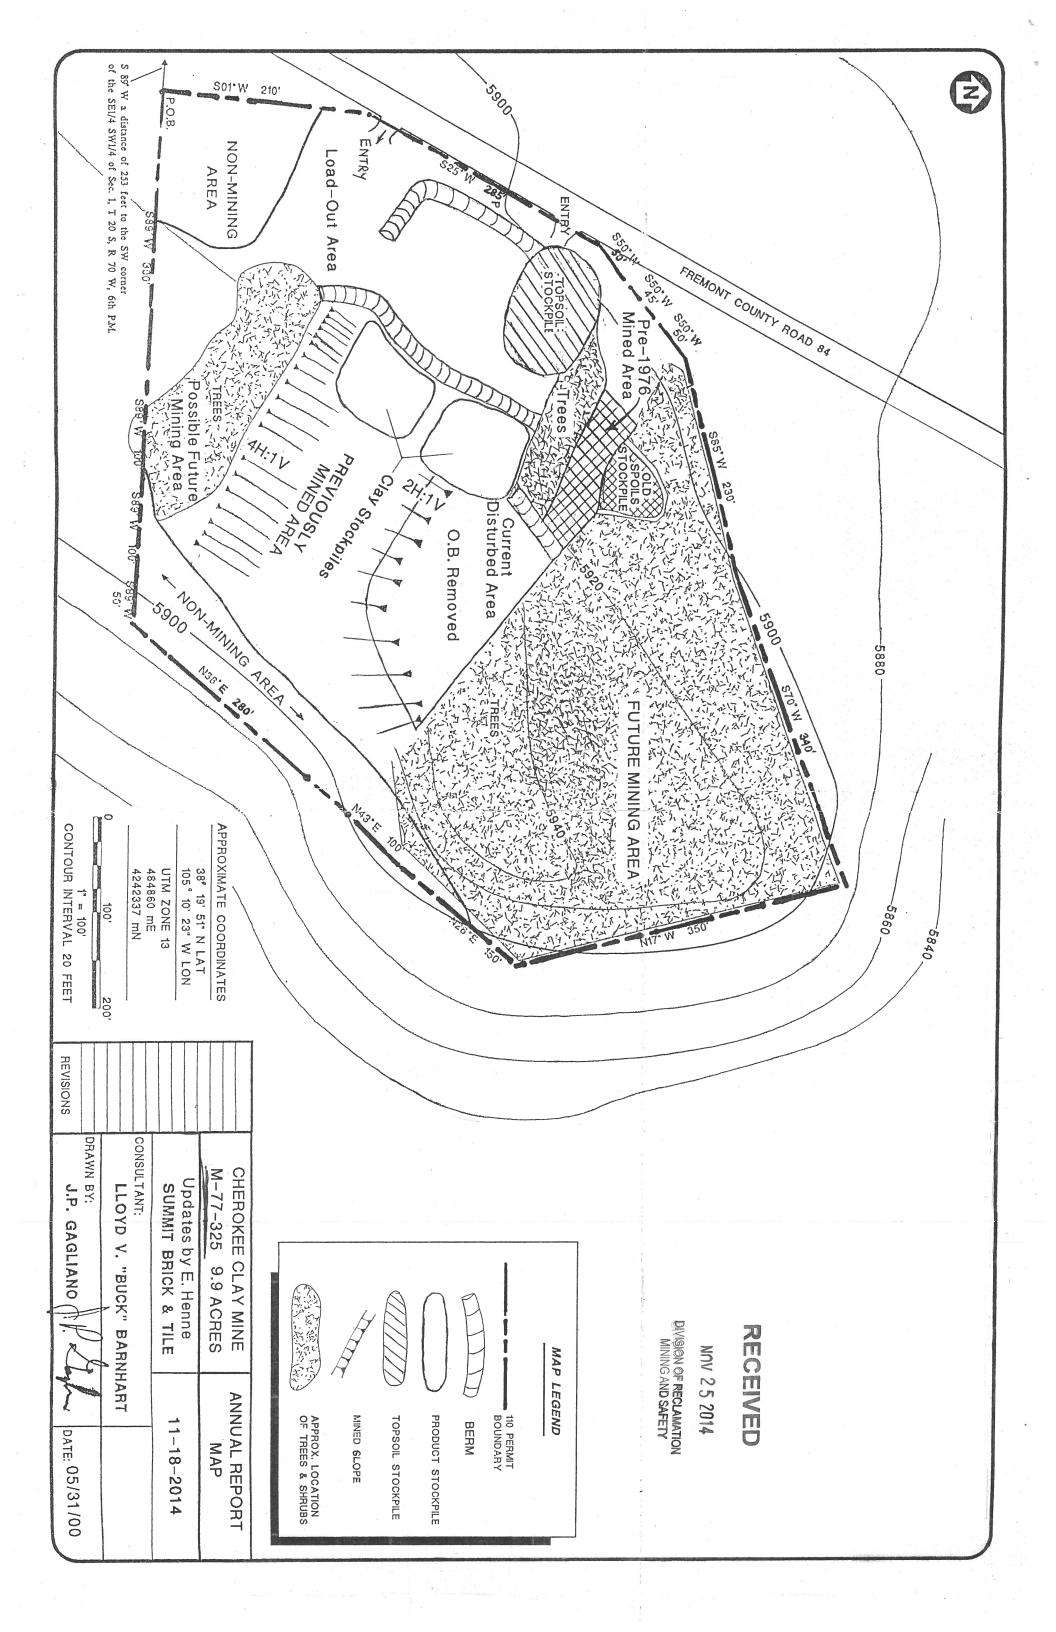

FEE REPORT MA	AP AP		
Permittee Name:	The Summit Pressed Brick	Permit Number:	M-1977-325
	and Tile Company		
Operation Name:	Cherokee Clay Mine	County:	Fremont
Annual Fee Due:	\$323.00	Anniversary Date:	November 23, 2014
Permit Acreage:	9.00	Current Bond Amt:	\$18,500.00

According to C.R.S. 34-32.5-116 or 34-32-116, each year, on the anniversary date of the permit, an operator shall submit the Annual Fee, an Annual Report and Map showing the extent of current disturbances to affected land, required monitoring information, reclamation accomplished to date and during the preceding year, any new disturbance that is anticipated to occur during the upcoming year, any reclamation that will be performed during the upcoming year, the dates for the beginning of active operations, and the date active operations ceased for the year.

Information contained in this report will be reviewed by the Division upon receipt and prior to the next compliance inspection of the site. If, while completing this report, you learn that your site is not in compliance with the rules and the act, it is advisable that the issues be rectified promptly to avoid possible enforcement action.

2. Is the affected area boundary clearly marked in accordance with Rule 3.1.12(2). 3. Is the mine site in final reclamation (all material extraction and stockpile removal is complete)? YES If "YES," please note time limits related to completion of reclamation, Rule 3.1.3. 4. What was the date of last excavation, processing or hauling activity at the mine? 5. Does the mine operate more than 180 days per year? If "NO", please review Rule 1.13 to assure that your mine is in compliance. 6. Has this mine been granted: a) approval of TEMPORARY CESSATION Status? b) approval for INTERMITTENT OPERATION? 7. Number of acres currently affected (mining + incomplete and or unreleased reclamation). 8. Number of acres that were newly affected during the current report year. 9. Number of acres that were reclaimed during the current report year. 10. Estimated acres to be affected in the next report year. 11. Estimated acres to be reclaimed in the next report year. 12. Total acres of reclamation, since permitted mining activities began: 13. Total acres of reclamation, since permitted mining activities began: 14.
