Re: Debeque Gravel Pit, Permit No.M-1981-058, Approval of Corrective Action Deadline Extension Request.

Dear Mr. Read,

The Division of Reclamation, Mining and Safety (DRMS) received your request to extend the corrective action deadline from December 1, 2014 to March 31, 2015 due to the inability to perform the corrective actions prior to winter setting in. The Division approves this request and the new deadline for the corrective action is March 31, 2015. Failure to complete the required corrective actions by March 15, 2015 will initiate enforcement action.

If you need additional information, please contact me at the Division of Reclamation, Mining and Safety, Grand Junction Field Office, 101 S. 3rd St., Suite 301, Grand Junction, Colorado 81501, telephone no. 970.241.2042.

Sincerely,

Travis Marshall
Environmental Protection Specialist
