Re: Bowie No. 2 Mine (Permit No. C-1996-083)
Revision: MR-168
Midterm Review Response
Permit Consistency/Cross-References, Surface Ownership Update, Drill Hole Inventory

Dear Sir or Madam:

The Division of Reclamation, Mining and Safety has received an application for the above referenced permitting action for the Bowie No. 2 Mine. The application was deemed complete on December 5, 2014.

Bowie Resources, LLC (BRL) is proposing to revise its approved permit in response to the Division's October 2014 midterm review (MT-4). BRL is providing updated surface ownership information, correcting cross-references within the permit application package, and updating the inventory of drill holes within the permit boundary. The applicant is not proposing additional surface disturbance outside of the area currently approved for disturbance.

Permit Revision, Permit Renewal, or Technical Revision application materials are available for review at the Paonia Public Library, 2 3rd Street, Paonia, CO 81428. Minor Revision and Surety Release application materials are available for review at the Division's Denver office.

If you have any questions, please contact me.

Sincerely,

A handwritten signature in blue ink that reads "Susan Burgmaier". The script is cursive and fluid, with the first name "Susan" and last name "Burgmaier" clearly legible.
