Re: Notice of 112 Construction Materials Reclamation Permit Amendment Application
Consideration Asphalt Paving Company, Ralston Quarry, Permit No. MØ1974-086 (SHPO Project
#67038) ✓

Dear Mr. Cunningham:

Thank you for your correspondence dated November 26, 2014 (received by our office on December 1, 2014) regarding the above referenced subject project.

A search of the Colorado Cultural Resource Inventory database indicated that no historic properties have been recorded within the subject property.

However, our files contain incomplete information for this area, as most of Colorado has not been inventoried for cultural resources. As a result, there is the possibility that as yet unidentified cultural resources exist within the proposed project area.

Should human remains be discovered during the proposed project activities, the requirements under State law C.R.S. 24-80 (part 13) apply and must be followed.

Thank you for the opportunity to comment. ✓ If we may be of further assistance, please contact Todd McMahon, Staff Archaeologist at (303) 866-4607/ todd.mcmahon@state.co.us or Dan Corson, Intergovernmental Services Director at (303) 866-2673/ dan.corson@state.co.us.

Sincerely,

Edward C. Nichols
