Dear Sir or Madam:

The Division of Reclamation, Mining and Safety hereby issues notice, in accordance with Title 34, Article 33, Section 116, Paragraph 4, of the Colorado Revised Statutes, that on December 27, 2014 an application to revise coal mining operations at the Bowie No. 1 Mine was considered complete for the purposes of filing. The revision was submitted by Bowie Resources, LLC. All review and comment periods as provided in the Act and the Regulations initiate from this date of filing.

With this revision, Bowie Resources, LLC seeks to update specific sections of the permit, related to the mine's train loadout facilities.
