

Public Notice

The Division of Reclamation, Mining and Safety, in accordance with Title 34, Article 33, of the Colorado Revised Statutes, hereby issues notice that on January 22, 2015, a minor revision application (MR-40) to the King Coal Mine, Permit No. C-1981-035, operated by GCC Energy, LLC, 6473 Co. Rd. 120, Hesperus, CO 81326-9633 was considered complete for the purposes of filing. This revision has been submitted by the applicant in response to a request from the Division. Clarifications in the permit regarding the Annual Hydrology Report are being proposed. The reporting year will coincide with the "water year", October 1 through September 30, and GCC Energy, LLC commits to submitting the report by December 31 of each year. The applicant is not proposing additional surface disturbance outside of the area currently approved for disturbance. All reviews and comment periods as provided in the Act and Regulations promulgated thereunder initiate from this date of filing.
