Dear Ms. Eschberger,

Please accept this request for surety reduction submitted to the Division by certified mail as required by Rule 4.17.1(3). The site is no longer in operation at the request of the property owners. The disturbance was graded, sloped and all stockpiles removed. Photo documentation taken during a site visit on January 15, 2015 is provided. The remaining reclamation activity is seeding which is scheduled for this spring. According to an October 16, 2009 bond calculation by Banks and Gesso, the bond amount necessary to reseed, fertilize and mulch the disturbance is \$39,767.

All Rite Paving respectfully requests reduction of the surety from \$192,836.00 to \$39,767.00.

The affected area is within the property boundary owned by Dwight and Julie Proctor 24625 County Road 23, La Junta, CO 81050; phone 719-384-8611
