

### Public Notice

The Division of Reclamation, Mining and Safety, in accordance with Title 34, Article 33, of the Colorado Revised Statutes, hereby issues notice that on February 6, 2015, a minor revision application (MR-106) to the Elk Creek Mine, Permit No. C-1981-022, operated by Oxbow Mining, LLC, P.O. Box 535, Somerset, CO 81434 was considered complete for the purposes of filing. Oxbow Mining, LLC has submitted a Minor Revision to the Elk Creek Mine Permit. The Minor Revision proposes to update gob vent borehole information and well abandonment report information. There will be an increase in the mine's disturbance boundary as a result of this revision. There will not be any changes to the mine's permitted or affected acreages as a result of this revision. There will be an increase in the mine's reclamation liability that will be calculated during technical adequacy. The applicant is proposing additional surface disturbance outside of the area currently approved for disturbance. All reviews and comment periods as provided in the Act and Regulations promulgated thereunder initiate from this date of filing.
